Student Behaviour Management Distance Learning 2020

Student Behaviour Management

Regarding Distance Learning 2020

- **Introduction:**

The Ministry of Education has launched the Distance Learning Initiative to address changing and emerging conditions in order to fulfil the requirements of the Emirati School, as distance learning is a method of self-learning, that leads to strengthening the system of open and continuing education.

The reasons for implementing the distance education system are:

1. Enabling all students to learn
2. Overcoming the time barrier
3. Overcoming geographical impediments
4. Utilising qualified educational capacities
5. Employing modern technology in the educational process
6. Reducing student pressure on educational institutions in times of crisis, so as not to affect students' learning negatively.

In terms of this initiative being innovative and supportive of the United Arab Emirates' pioneering role in educational initiatives and to achieve commitment and disciplinary behaviour for students and for the stability of the programme, guidelines and instructions have been extracted and developed from the Student Behaviour Management Policy in line with this initiative, which will help in its success and achieve continuity for the academic year and the educational process.

The behavioural offences are mentioned according to their degree, as mentioned in the Student Behaviour Management Policy of 2018, and are coupled with behavioural offences specific to distance learning, in order to achieve the ease and flexibility of access to the detailed procedures mentioned in the Student Behaviour Management Policy of 2018.

- **Objectives:**

1. To promote positive behaviour and take self and public responsibility among students within the school community.
2. To create an appropriate educational environment for the success and enhancement of the Distance Learning Initiative based on the integration and continuity of education in facing crises and natural disasters.
3. To apply the principle and culture of reinforcement, encouragement and permanent care to the educational community to reduce behavioural **offences**

outside the walls of the school (Distance Learning) with the best possible educational means.

4. To provide a controlled reference that defines the rules, standards, and procedures to be invoked to deal with students' behaviour in a way that ensures compliance with school values and systems through changing and emerging conditions.

- **Scope of Application of Behaviour Management Guidelines:**

All the articles mentioned are applicable to all public education institutions (first and second cycles and secondary education) which are subject to the Distance Learning Initiative on the national level.

- **Definitions:**

- Distance Learning: A method of self-learning which employs the use of modern technology and leads to the strengthening of the open and continuing education system.
- Student Behaviour Management: A set of procedures to help control student behaviour when learning remotely.
- Behaviour Management Committee: One of the school management committees responsible for discussing students' problems in terms of educational and behavioural aspects and taking appropriate actions regarding these in accordance with the provisions of the policy.
- Educational Environment (Virtual School): The educational community work environment with its physical, social, human, psychological and virtual elements (Distance Learning Environment), using electronic platforms via the Internet.
- Electronic Period: An official period to which the instructions, regulations and laws are applied as in the classroom period, and they may be synchronous (direct broadcast) or asynchronous (as per electronic sources available at any time).
- Behaviour: Every statement made, and act, practice, or activity done by students through their interaction with the educational environment surrounding them.
- Absence: Missing class (distance learning environment) for one or more days, or part of the school day or more, both excused and unexcused.
- Offences: Any student behaviour that is not consistent with expectations, which has a negative impact on the student, others and the educational environment.

- **Bullying:** Any frequent form of intentional psychological, physical, verbal, electronic, or digital abuse or intimidation, or threat by a student or group of students toward one or more students or towards school staff.
- **Cyberbullying:** Using the means of communication and information technology to insult, use profanity towards, threaten with violence, slander, or blackmail someone.
- **Technical Offences:** Any act committed, including unlawful entry, to threaten or blackmail a person, prejudice his/her private life, defame or harm him/her, access or delete his/her private data, or produce anything that might undermine public order or religious values.
- **Electronic Devices:** Any electronic, magnetic, optical, electrochemical, or other tool used to process and/or store electronic data, or perform logical and mathematical operations, by any means of connection, direct or otherwise, which allows this device to store electronic information or communicate with others.
- **Communication Channels:** Any means of communication between the school system, sectors, educational councils and parents. This may include phone calls, e-mails, SMS messages, social networks and channels, and smart notices and alerts via smart applications from the Ministry of Education.
- **Digital Citizenship:** A set of digital controls and standards, and their evaluation, which help optimise the use of digital resources to help move towards protecting the benefits of others from potential risks through early awareness.
